

# Field Trip

## GEOHERMAL RESEARCH SYMPOSIUM

- Date:** Wednesday, May 25<sup>th</sup>  
**Time:** 7:30am – 6:30pm  
**Departs:** Colorado School of Mines  
**Cost:** No fees. Participants provide own transportation and lunch.

**Please Note:** *No safety equipment required other than appropriate clothing and footwear for Colorado mountain country in May (could include snow). Some walking will be required.*

The tour will view geothermal development potential in Colorado in general and specifically at Mt. Princeton Hot Springs and Poncha Hot Springs. The tour will include discussion of development potential, exploration, environmental, permitting and other issues.

### Trip Agenda:

- *Depart Golden/Colorado School of Mines – 7:30am*
- *Arrive Mt. Princeton Hot Springs – 10:00am*
- *Overview of Chaffee County geothermal potential – 10-11:00am*
